Dear Parent,

Please be informed that in Class IX (2018-19), the two language formula is followed. Hence the students of Class VIII have to make a choice between **Hindi and the III language (Marathi/ Sanskrit / French) that they have opted for in Class VIII.** We request you to make a judicious choice after discussing it with your child. The language will be offered subject to a minimum of 10 students willing to avail of it. Please send the slip below duly signed to the Class teacher by 22nd November, 2017.

Please note that the same language has to be continued in Class X mandatorily.

Warm Regards,

Mrs. Geeta Pillai
