Date: 14<sup>th</sup> November,

Dear Parent,

This is to inform you that the III Language will be introduced in Class VI (2018-19). Students have a choice of **Marathi / Sanskrit/ French.**

**Note for students selecting French:**

1. Students should have a good command over the English language, especially grammar and vocabulary. Punctuation / correct spellings are a must. Students who have scored more than 75 % in English during the academic year will be eligible for French.
2. Once a student opts for the third language of his choice, under no circumstances will he/she be allowed to change it later. The student will have to continue that language upto Std. VIII.
3. In Class IX, students have to choose between the II and III language.

We request you to make a judicious choice after discussing with your child. The language will be offered subject to a minimum of 10 students willing to avail of it. Please send the below acknowledgement slip duly signed to the Class teacher by **22<sup>nd</sup> November, 2017.**

Warm Regards,

**Mrs. Geeta Pillai**
