THE LEADER IN ME

At Indira National School, we would like to see every child as a leader. We are proud to announce that we have launched the “Leader in Me” programme for our students, Grades I to X in this academic year 2017-2018.

This programme empowers students with leadership and life skills they need to thrive in the 21st century.

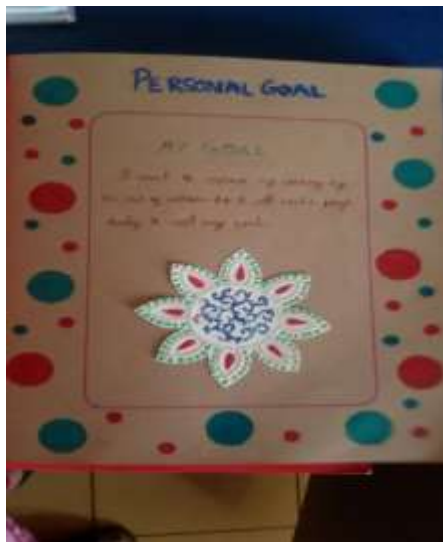

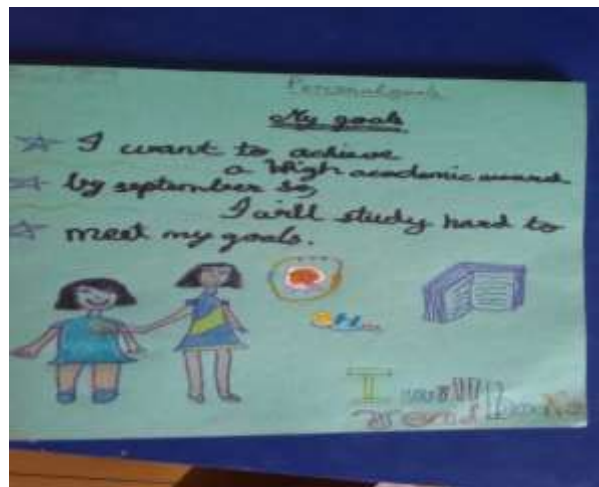

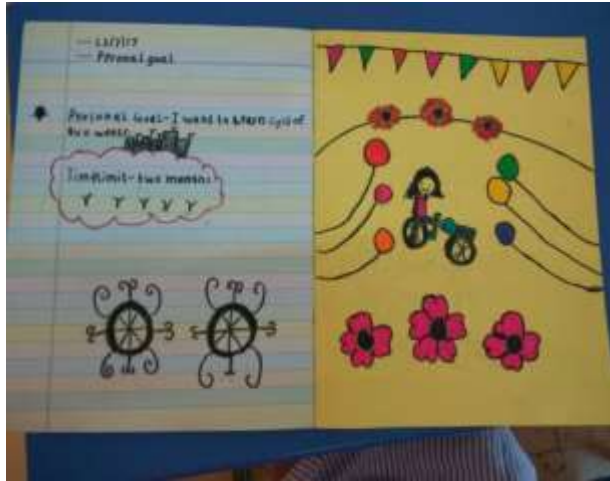

The first habit “Being Proactive” was introduced to all the students. For this every class teacher and the students had an informative interaction, discussions and brain storming sessions where they came up with various ways to get into this habit.

These were the different ways -

1. Introduced the book “The Leader in Me” and a brief discussion on the author Stephen Covey.
2. First Habit – “Being Proactive” discussed by connecting it with real life situations.
3. Class Mission Statements discussed and formulated.
4. Personal goals and classroom goals discussed and were displayed in the classrooms.
5. Class leaders selected by election.
6. Proactive versus Reactive behaviour discussed.
7. Situations based activities were conducted through brain storming.
8. Leaders conducted activities related to the habit.
9. Students narrated incidents wherein they exhibited proactive and reactive behaviour.
10. Lesson 1 of activity guide introduced and responses were jotted down in the book.

You can view below few of the classroom goals, personal goals, the school mission statements and various activities

Primary Section (Std. I to V)

Secondary Section (Std. VI to X)
